Historic Savannah Foundation saves buildings, places and stories that define Savannah’s past, present, and future. Following its formation in 1955, HSF started a Revolving Fund to save endangered historic properties, now totaling more than 400 buildings throughout several of Savannah’s historic districts. HSF has grown into one of the most respected local preservation organizations in the country — emphasizing not only the protection of individual historic buildings but also the revitalization of blighted neighborhoods. HSF demonstrates the cultural, social and economic benefits of preservation as good public policy by proving that preservation and progress go hand-in-hand.
