HISTORIC SAVANNAH FOUNDATION

Historic Savannah Foundation (HSF) is a non-profit historic preservation organization supported by a dedicated membership. HSF's mission is to preserve and protect Savannah's heritage through advocacy, education, and community involvement. HSF was established in 1955 to save the 1820 Isaiah Davenport House from demolition. From this initial project, HSF launched a Revolving Fund that has helped save more than 350 buildings and counting. HSF has a staff of seven and a variety of outreach programs that support its mission and educate the public about the benefits of historic preservation.
