

HSF'S MAY 20 WINE AND TROLLEY TOUR TO HIGHLIGHT REVOLVING FUND PROPERTIES

SAVANNAH, GA – May 2, 2022 – Historic Savannah Foundation (HSF) will host a Wine and Trolley Tour on Friday, May 20 at 5 p.m. at the Green-Meldrim House, located at 14 W. Macon St, Savannah, GA 31401. This is the final event of HSF's annual Preservation Month festivities.

This year, there will be two trolleys, each traveling different loops through historic Savannah. Instead of visiting a few grand homes in one neighborhood, as in previous years, attendees will ride the trolleys to see and learn about a variety of HSF's Revolving Fund properties in different historic districts. Attendees will have the opportunity to experience both trolley tour loops.

Before and after tours, participants will mingle at the Green-Meldrim House, enjoying wine, light hors d'oeuvres and live musical entertainment by Bay Street Cabaret, which is generously donating time and talent to the event.

"We are excited to share pieces of Savannah's history with our guests while highlighting the impact that HSF's Revolving Fund has on the beautification of the community," HSF Events & Development Associate Colleen Reynolds said. "Many people pass by these structures every day and aren't familiar with the stories behind them, nor our efforts to save them from demolition. Our trolleys will travel through multiple historic districts to view several properties, making this year's event fun, insightful and educational."

Tickets for the Wine and Trolley Tour and other Preservation Month events are available for purchase by visiting <https://www.myhsf.org/events/>. Anyone interested in becoming a sponsor or patron for Preservation Month events can call Colleen Reynolds 912-233-7787 or email creynolds@myhsf.org

Historic Savannah Foundation, a leading nonprofit preservation and cultural institution, saves buildings, places, and stories that define Savannah's past, present, and future. Following its formation in 1955, the organization started a Revolving Fund to save endangered historic properties, now totaling nearly 410 buildings throughout several of Savannah's historic districts. HSF continues to build capacity within its operations, secure new financial resources, improve its image and visibility, and increase public policy efforts to protect Savannah's historic districts.
